

# WOODLEA WORD

Tandridge Learning Trust

Autumn Term No. 5  
2nd Oct 2020

## Dinner money

Please note that from September school meals have increased to £2.40 per day.

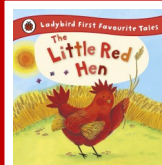

As part of our Recovery Curriculum, this week children in Year's 1 to 6 have been watching clips of 'Inside Out'. This film is all about emotions and how they guide us. Joy, fear, anger, disgust and sadness feature but Joy becomes the most important emotion, bringing positivity, much needed in the current times.

With best wishes for the weekend. Mrs N Riches - Headteacher

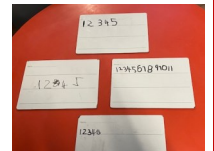

Our building projects are almost finished and this week the grounds have had some attention. We are hoping to 'landscape' the areas along the path to make them look attractive, socially distanced volunteers would be welcomed for this project - made possible by the fact that it would be outdoors and not involve contact with the children. Please email the school office if you are able to help or make donations of planters/pots/compost or plants.

Lambs have been very busy this week, listening to the story about the 'Little Red Hen' and thinking how important it is to help others and be kind.

They have also been practising writing their numbers - keep up the great work Lambs!

## School Uniform

Please ensure all items of school uniform are named clearly.

It is especially difficult to return items marked in pen where names are blurred.

Thank you.

## Harvest Festival 2020

This year we are once again supporting the Caterham food bank during the harvest festival. Please see the flyer attached to your email for further details. They have advised that they do not require any tins of baked beans or packets of dried pasta.

WEEKLY ATTENDANCE AWARD  
WELL DONE TO  
YR 3 & 4

In previous years we have held Parents' Evening towards the middle of October. In the current climate, our usual practice of parent/teacher meetings will not be possible. However we are currently exploring other ways in which we can make this happen. We will let you know what form these meetings will take as soon as we can.
